

Paul Banta's 27<sup>th</sup> Annual

## **COASTAL CAROLINA SOCCER CAMP and ACADEMY**

Held at Middle Georgia College GA

Dear Camper, Coach and Parents,

We received your 2012 ***on line camp application***. We look forward to having you with us. Thanks for choosing CCSCA for your soccer development. The information enclosed in this letter will help your arrival, stay and departure. If you need further assistance please use the contact link from our website information located on our camp home page. Our website address is [www.CoastalCarolinaSoccerCamp.com](http://www.CoastalCarolinaSoccerCamp.com)

### **REGISTRATION DAY & ROOM AND KEY DEPOSITS**

You have registered for your camp session of your choice paid your camp fees by credit card in full. Please consider your registration permanent for the session you selected because it's not yet sold out. At registration (first day) campers and visiting team coaches are required to turn in a separate check of \$50.00 made out to CCSC for your **Key and Room Deposit** (please no cash). **No room key will be issued with out paying this fee.** This deposit check is to be returned to each camper and coach at check-out on the last day of camp providing you've not lost your key and no room damage has occurred. Registration and check-ins to camp and room assignments are between 10:00 AM – 12:00 PM (ends) your first day of camp. Please follow camp registration signs when you arrive on campus. If you need directions go to our website at **Camp Directions and Camp Location**.

**Important:** At check-in/registration all campers and visiting team coaches are required to turn in a separate check of \$50.00 made out to CCSC for your Room and Key Deposit (no cash). **No room key will be issued with out paying this fee.**

This deposit check is to be returned to each camper and coach at check-out on the last day of camp providing the key is not lost and no room damage has occurred.

**A room will be assigned to you and a room or suite mate at checking-in.** Two players per room suit or shared a room. Rooms are air-conditioned. If you need a room mate we'll assign you one. Female and Male campers live in different dorms. If you're coming with a team your coach can make this arrangement prior to registration day with us or at registration day.

### **CAMP ACTIVITIES START**

At 1:00 PM you will attend a general camp meeting to meet staff, your coach and learn about your week of camp, after which training will start, all you can eat supper is next (your first on campus meal), your evening evaluation match and then evening non-soccer activities. Light out at 10:30 PM.

Your **Daily Camp Schedule** can be found on our website home page. Parents are welcome to watch training sessions and matches. The last camp match starts at 2:30 PM last day of camp, so please join us.

Dorm rooms have no refrigerators or phone. **Washing Clothing** is available in your dorm. Bring your own **detergent**. You can **purchase washing fees on your food swipe card** for doing laundry from the campus business office for a moderate cost.

The camp will host a **Camp Store** which will take pizza orders, sell drinks, snacks and some soccer gear, t-shirts, balls, etc. We are often asked how much money a camper should bring for shop purchases. We suggest no more than \$100. There is **no Camp Bank** and Campers will be responsible for the keeping of their own money. All dorm rooms doors should remained locked and camper will be reminded of this daily. All store profits go to GSM International and help at risk kids play soccer in Guatemala and Jamaica.

## **PARENTS CAN GET IN TOUCH WITH US DURING CAMP**

We do not recommend sends mail or boxes to camp. Camper may not receive.

### **Contacting the Camp Director**

If parents need to contact the CCSC Director you must leave a message with Joel Banta at 843-458-2558 or Paul Banta at 843.318-6244. The best way would be by emailing [joelbanta@aol.com](mailto:joelbanta@aol.com) or [pbanta@sc.rr.com](mailto:pbanta@sc.rr.com) . Emails are checked in the early morning and after the day of soccer.

We strongly recommend campers bring a cell phone and phone cards to communicate with home. **Cell phones** are not used during training sessions, matches and camp meeting. No office phones will be available for campers to call home unless there is an emergency and this would be done only through our camp directors or medical staff.

## **WHAT TO BRING, REFUND POLICY, MEDICAL ASSISTANCE, CAMPER VEHICLES AND OTHER CAMP POLICIES ARE LOCATED ON OUR WEBSITE**

Go to our camp website for all camp information. All Campers, Parents and Coaches need to review this information before coming to camp.

**What to Bring to Camp** is located on our website home page under Camp Site.

**Our Camp Refund** policy is located on our website at the bottom of the home page under Camp Policies.

**Camper Vehicles** are not to be used by campers while at camp. Please review our policy on **camper who brings their vehicle** to camp at Camp Policies on our websites. Campers will not be allowed to use their vehicles while at camp. Keys will be given to our Camp Assistant Director after the general camp meeting held the first day of camp and returned at checkout last day. Thank you for your understanding with this liability policy.

**Our Certified Athletics Training Staff** are on campus to serve each player needs as needed. Player coming to camp with a previous injury and yet clear by a

physician to attend camp and participate fully in camp activities must on the first day share the injury or previous illness with the head trainer for insurance purposes.

### **CHECKING OUT OF CAMP LAST DAY**

Checking out of camp takes place only on the last day at 4:30 PM after final matches. A room inspection will take place during the match by the campus housing staff. All rooms are inspected before campers leave for damages. No early check out will be allowed without prior knowledge of the Camp Director, Paul Banta. No camper has permission to leave camp until parents have notified one of the camp directors. No camper is to leave the campus other than for a soccer reason with their coaching staff. For Teams to go off campus with their own coach, away from regular camp activities, requires permission from one of the camp directors. Our insurance does not include non-supervised off campus activities. Emails are a good way to do this.

Best wishes in your soccer and we look forward to having you join us.

Sincerely,

**Joel and Paul**

Joel and Paul Banta, Camp Director
